

Dear all

A little bit more information for you regarding the First fortnight.

Tower and Individual Firsts Fortnight: 4th July - 18th July

The idea is to offer everyone the opportunity to attempt something new.

- Towers set a challenge to be achieved; for example, ring a long extent of call changes, all members of tower a visit a new tower, ring a touch or quarter of a method not previously attempted before etc.
- Individuals can set themselves firsts to achieve. Ring up/down in peal, call changes or a touch, ring a new method or quarter peal, visit a new tower etc.

Certificates will be presented at the Branch Social - please notify Rob Walton of successful Challenges and Firsts **by noon on Saturday - 18th July** (robert.w.walton@btinternet.com and 07887 247058 for texts)

Happy Ringing

Rob
